HOSPITAL CLINICS

The image shows a dark-themed map of Maryland with numerous colored pins. The pins are concentrated in the central and eastern parts of the state, particularly around the Baltimore and Washington, D.C. areas. The pins are color-coded: yellow for retail pharmacies, blue for hospital clinics, and red for local health departments. The text on the left side of the image lists these categories in bold, colored letters: yellow for 'RETAIL PHARMACIES', blue for 'HOSPITAL CLINICS', and red for 'LOCAL HEALTH DEPARTMENTS'.

MASS VACCINATION SITES

- Six Flags America and the Baltimore Convention Center by Feb. 5
- M&T Bank Stadium when state can secure higher allocations

MASS VACCINATION SITES

- **Additional regional sites on the Eastern Shore and in Western and Southern Maryland are now being finalized**

MASS VACCINATION SITES

- **The state will activate as many members of the National Guard as are needed for this mission**
- **Additional \$219 million from FEMA**

**We will expand Phase 1
eligibility for some severely
immunocompromised
Marylanders.**

**We will not rest until the
vaccine is available to every
Marylander who wants one.**

The bottom of the slide features a decorative graphic consisting of two overlapping, stylized mountain-like shapes. The top shape is a light yellow color, and the bottom shape is a darker orange color. Both shapes have a flat top and sloping sides, creating a layered, geometric effect.
